### Put Savings On Automatic

If you think savings money is too difficult, and even have justification to back you up, we have the solution for your savings hang-ups. "I DON'T HAVE ANY MONEY." That's standard cry from those who wait to save what's left over. It never happens. Instead, "Pay vourself first." Use the T. E. A. payroll deduction service and we'll automatically divert the amount YOU say, for as long as YOU say to your share savings account.

### Who Owns the Credit Union?

You do! Once you deposit money in the Credit Union, you become a member and a shareholder. You then not only become a member of the credit union, but part of the national financial system. The credit union does not stand alone it is joined by more than 12,000 credit unions throughout the United States and is supported by state and national credit union organizations.

### Mission Statement

Terrebonne Education Association Federal Credit Union is a member-owned financial institution, dedicated to providing quality services to our members and the community.

## Grow it at T.E.A Minor Savings Account

It's never too early to emphasize the importance of savings. Teach your child it's nice to save money. Opening their first savings account can be a special event. Our T. E. A. ### Borrowing From the Credit Union

Only members can borrow from the credit union. Credit Unions traditionally have been the best place to get a loan. Interest rates are usually lower than those offered by other lenders. Credit Unions are not-for-profit financial institution, owned and operated by the members. Members pool their money and make loans to each other. Since credit unions are not-for-profit, earnings are distributed to members either in the form of better rates on savings or they're invested in new or improved services and member benefits.
